About Us

The Hood Group is a privately owned business providing insurance solutions for over 30 years to some of the most well respected brands, insurance partners and financial intermediaries. Established in 1983, we came from modest beginnings in the City of London with a small team of passionate people who wanted to help change insurance for the better. We offer our partners an end-to-end service; from product and quote platform design through to sales and retentions. The Hood Group is now one of the largest employers in South East Essex with around 180 staff, award winning services and cutting edge technology.

We invest in the careers of all our staff, through training, qualifications and by providing a pro-active learning environment. We understand the importance of staff wellbeing and maintaining a good work/life balance and also provide opportunities such as flexible working and career breaks. There is a Group funded Sports and Social committee, and we provide seated acupressure massages, and fitness classes in our onsite Wellbeing studio. On completion of probation we also provide an excellent benefits package that includes life assurance, pension scheme, medical cover, permanent health insurance and much more.
